## New Business:

- Account Balance: \$6,207.63
- Preventative measures for upcoming season: Retaining wall will be added on Ridenbaugh canal to fix an eddy that has been causing issues keeping screens clean.
- It was thought by one member that ACHD would be tearing up Garden Street this year, however, it was reported by another member that this activity has been pushed off to another season.
- Water is expected to be available to users (from Nampa-Meridian) in the last week of April.

- It was proposed that ELS Officers position be consolidated into 3 compensated roles: Watermaster, Secretary, and Treasurer (deleting the unpaid President position).
  - Members voted on and accepted this change.
- Officer Elections:
  - Members selected Justin and Bethany to resume duties as Watermaster, Secretary, and Treasurer.
- Watermaster (Justin Ahlin) announced that this will be his last season as watermaster for the ELS. This opened up a discussion on who would be taking the role in subsequent seasons.
  - Members voted on and passed an increase in compensation for Officers to encourage participation.
    - Watermaster: \$1,500
    - Secretary: \$750
    - Treasurer: \$750
- Bethany and Justin agreed to generate a protocol for newly elected officers with detailed instructions on the who, what, where, when, why of ELS operations.
- Damien Lowe volunteered to train with Justin on Watermaster duties in 2022 so that he can step into that role for 2023 (Thank you Damien!).
- User dues were voted on and will remain at \$75 for association access.
